Notes

1. The battery is a stone building. The battery may not be entered.
2. The church is a stone building.
3. The corn field is in full season (soft-good cover).
4. The corn field is rough ground to prone troops.
5. When a force arrives at the base of the bell tower, they must spend one action finding the ladder. The chance to locate the ladder is 10%.
6. Once the ladder is found, it takes two actions to climb the bell tower.
