

Smash and Grab

THE FACE OF BATTLE

Light

Legend

- Wire
- Sandbag Pit
- Tower

Notes

1. The farm houses A, B, C and D are wooden buildings. All entrances face the road.
2. The Flak tower is wooden and provides good cover.
3. It takes two actions to climb the Flak tower.
4. The Flak 2.0cm may not fire at targets within 12" of the tower base or 8" of the opposite side of the buildings.
5. The barbed wire crosses the road.
6. The ammunition dump is on fire.
7. The LMG, anti-tank, Flak and the Battery Guns are in sandbag pits. All crews receive medium-partial cover.
